

## Fundraising Appeal

HRFC are fundraising £65k to compliment the existing funds for the clubhouse extension work which is well under way.

### Who are we ?

Founded in 1951, Havant Rugby Football Club is a community amateur rugby club that plays at Hooks Lane in Havant on the sunny south coast. Our 1st XV competes in London One South (the 6th tier of the English Rugby leagues), we run 3 senior men's teams, a ladies team, 2 Academy teams, 4 junior boys teams, 3 junior girls teams and have a mini rugby section that is full to capacity with boys and girls between the ages of 6 to 12. With a playing membership in excess of 500 we are one of the largest clubs in the South and the most successful club in Hampshire. Havant RFC's philosophy is to provide players with access to the best possible playing and coaching facilities. The club is also committed to widening participation and developing young players to maximise their potential, which has led to representation at professional, provincial and national levels.

### Why are we Fundraising ?

We have started work on extending the social space at the club, this includes building into the squash court and a new floor extending the current space upstairs. Downstairs will be a Nursery for the local community. Our Target is an additional £65k this will compliment the existing funds already in place and make the clubhouse a great facility for social and community rugby and a great community space open to all.

### Where will the money go ?

The funds will go towards the newly created Nursery and upstairs extension, making the most of the spaces created.

### How you can help

<https://www.goldengiving.com/wall/havant-rfc>

Please make a donation on the club's fundraising page LINK ABOVE (note that as a CASC, UK tax payers can increase the value of the donation by 25% through gift aid) and will go towards making the space at Hooks Lane first class. We have the Rugby 365 Artificial Grass Pitch in place lets make the other facilities the same fantastic standard.
